In January, KVIE participated in a free, public screening of The Dying Girl, at the Crest Theatre. KVIE, the presenting station for the locally produced program, shared the stage with show producers to screen and discuss the film with the 400+ audience. This documentary focused on a young woman diagnosed with terminal cancer, and the impact her personal story of inner resilience had upon her family, friends and community.

In June, KVIE hosted two screenings for Chasing the Moon, one at the Powerhouse Science Center and one at Folsom Community College. Both

4.4 Governance Structure

Please describe your station's governance structure. Please include information about your station's Board of Directors, Advisory Boards or Panels, Community Boards or Panels, and the Committee Structure under each of these entities.

Your response should include but is not limited to:

What are the direct and indirect reporting relationships?

What committees are active and what is their function?

Does your Board have an Audit and Finance Committee?

What are the roles and responsibilities of these Boards, Panels and/or Committees? Etc.

KVIE's board of directors is currently comprised of 19 board members out of a total of 21 possible board members. There are two vacancies. The bylaws provide for a total of 21 board members if there is one designated director (immediate past chair for one year if the term is completed; otherwise the immediate past chair returns as a board member). The board is a self-perpetuating board that receives recommendations from the nominating committee when vacancies arise. Board meetings are held at least six times per year and last approximately 90 minutes. Board meetings are open to the public except during executive

4.5 Community Outreach

CPB is interested in learning more about stations' significant activities planned for the upcoming year - both broadcast and beyond broadcast. What types of on-air programs and off-air activities are you planning in the upcoming year that will connect your station more closely with your community? What goals are you setting in conjunction with these initiatives, and how will you measure your success?

Our goals for the upcoming year include even more community outreach. We'd like to host a KVIE table at all the concerts to collect emails for newsletters and distribute "download PBS app" cards. We'd like to participate in more family-oriented community events such as local fairs, kids expos, and farm-to-fork events. We hope to bring free family-fun to our station and to have more screenings partnering with the community.

KVIE continues to attend 2-3 college career fairs each year.
